

Crystal Palace Park Regeneration Plan

Upcoming Information Events

Bromley Council has prepared a Regeneration Plan for Crystal Palace Park. The Regeneration Plan aims to deliver a renovated and vibrant metropolitan park which is an asset to its surrounding communities and attracts visitors from across the UK. The plan draws on previous masterplan projects to display a sustainable future for the park that celebrates its important history.

Following community engagement events in 2016 and 2017 the Council is seeking to submit a planning application in Spring 2018. Before they do this, they will hold information events to describe the latest plans.

Saturday 10th March 2018

10am – 2pm Crystal Palace Park Information Centre,
Penge Gate on Thicket Road entrance, SE20 8DT

Monday 12th March 2018
